

## 7.2 窄幅鋼板可接單尺寸 Manufacturable size for Flat steel

鋼種 (Grade): A36、A572Gr50、A709 Gr.50、SS400、SM400A/B/C、SM490A/B/C  
SN490B/C、SN490YB/YC

| 厚度 \ 寬度 | 300~500 | 501~506 | 507~550 | 551~928 |
|---------|---------|---------|---------|---------|
| 19      |         |         |         |         |
| 20      |         |         |         |         |
| 22      |         |         |         |         |
| 23      |         |         |         |         |
| 25      |         |         |         |         |
| 28      |         |         |         |         |
| 30      |         |         |         |         |
| 32      |         |         |         |         |
| 36      |         |         |         |         |
| 38      |         |         |         |         |
| 40      |         |         |         |         |
| 41      |         |         |         |         |
| 45      |         |         |         |         |
| 50      |         |         |         |         |
| 54      |         |         |         |         |
| 55      |         |         |         |         |
| 65      |         |         |         |         |

 不接SN材  
(Not available for SN series specification)

 僅開放 A36&A572  
(Available only for A36 & A572)

 可接單(available)

非上列尺寸需求者，請洽中龍營業處。

(For sizes not listed above, please contact Marketing Department.)

鋼種 (Grade): CSC SM570M-A、B、C

| 厚度 \ 寬度 | 300~479 | 480~501 | 502~506 | 507~750 | 751~928 |  |  |
|---------|---------|---------|---------|---------|---------|--|--|
| 19      |         |         |         |         |         |  |  |
| 22      |         |         |         |         |         |  |  |
